This is the User Handbook for the Australian Army's Land Rover 110 "Perentie" vehicle with winch, which is officially known as the "Truck, Utility, Lightweight, MC2 With Winch". The Australian military 110 Land Rovers are the toughest in the world, surpassing for durability and reliability even the UK MOD's "Wolf" Land Rover 110 vehicles. With hundreds of these tough vehicles coming onto the civilian market via Australian military surplus sales, they are an awesome choice as an expedition platform or rugged tourer. This user handbook is an exact reprint of the very scarce originals. It is purposefully priced low so every Perentie Land Rover owner can purchase one to keep in their vehicle's glovebox.
